

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 1527 - SB 1495

April 10, 2023

SUMMARY OF BILL: Requires the owner of a rented or leased vehicle cited for being parked in violation of the law to furnish to the appropriate court or law enforcement agency the name, address, and driver license number of the person or company who leased or rented the vehicle within 45 days, instead of 30 days, of receiving notification of the violation in order to not be held liable for the violation.

FISCAL IMPACT:

NOT SIGNIFICANT

Assumption:

- Extending the period by 15 days for which the owner of a rented or leased vehicle must provide the relevant information to the appropriate court or law enforcement agency in order to not be held liable for a parking violation will not significantly impact the policies or operations of any state or local court or law enforcement agency; therefore, any fiscal impact to state or local government is estimated to be not significant.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
